Palgrave Macmillan. Paperback. Book Condition: new. This comprehensive guide: * Supports the reader step by step in setting up their own practice, including vital tools such as confidentiality and payment agreements. * Considers different approaches that can be used over the telephone, such as humanistic and cognitive behavioural techniques. * Provides engaging case studies to illustrate the distinctive character of telephone counselling and offer practical guidance. This book is the perfect introduction to counselling by telephone for students and trainees on counselling and psychotherapy courses, and is an essential guide for practitioners looking to develop skills in the area. Maxine Rosenfield has over twenty years experience working as a counsellor, supervisor and coach. She is a past President of Helplines Australia and of the Counsellors and Psychotherapists Association of NSW.
