Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Formerly titled: Fathers Leading Families The future of the family depends on the holiness of fathers. This book explains: Why the family needs to stop relying on schools to raise the next generation. Why a holy marriage comes before a godly family. Why holiness means living with your wife in an understanding way. Why the pursuit of holiness increases a man s desire for children. Greg is hitting on doctrines which are politically incorrect within the American church. Our nation will not recover from its socialistic trajectory until father begin to heed the ancient call of Scripture and repent before Jesus Christ for being derelict in our duties in the home. It is time for fathers to embrace God s call to disciple their families. Greg s contribution is an excellent call toward this end. Rob Hudelson, Pastor of Legacy Baptist Church The father is ultimately accountable to God for the physical and spiritual welfare of the family. This book addresses this culturally sensitive topic with carefully researched points and persuasive arguments that should be a wake up call for Christian fathers everywhere! A must read! Michael Schlauder, Pastor of Grace Christian Fellowship.
