By Wallace H Whigam

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Bookkeeping and Business Practice In the preparation of this text, two aims have been constantly kept in view, viz.: To present the subject so that the pupil may derive the greatest possible cultural benefit, and to make the work practical; that is, to make it conform as nearly as possible to the methods and practices of the business world. The inductive method of development is followed in this text whenever the nature of the subject makes it practicable. As far as possible, long discussions of theoretical points have been avoided. Subjects have not been introduced more rapidly than the average pupil is capable of comprehending the theory and processes involved. Throughout the text it has been the aim to lead the pupil to make use of his previous knowledge In the beginning, the account rather than the journal has been introduced. First, because the inductive method of development lends itself more readily to this order of presentation. Second, because by this order the pupil concentrates his powers upon one kind of value received and disposed...
