For Alex, it can mean worlds of difference. Since immigrating to the United States as a child, his yearning to fit into American society has led to a total disconnect from his Igorot ancestry. Like many immigrants, his true ethnic identity has taken a backseat to the pursuit of the American Dream. Alex s dreams eventually turned into reality: he became a successful businessman, and began living a lifestyle filled with fame, fortune, and women. Despite his achievements, however, an inner void eats away at his soul that is, until unforeseen events send him on a collision course with his estranged heritage. An inheritance catapults him into the worlds of Igorots, soldiers, and samurais. Can his encounters with the Igorots become more than just lessons about the lineage of indigenous Filipino highlanders that precedes him? Will his perilous encounters with them, American soldiers, and Japanese samurai help him find true happiness? How can the events that unfold fill the void, while bringing new meaning and purpose into his life? Unbeknownst to Alex, an enlightened warrior dwells within him, waiting to be discovered.
