

Longevity

By Ph D John Chrysochoos

Rosedog Books, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Octogenarian Aris, a retired academic, contemplates joining the group of nonagenarians and the rare group of centenarians in spite of current life expectancy in United States. Longevity is occasionally envied by younger generations and feared by the elderly. Health issues as well as financial worries are at the core of their concern. However, apart from any wretched physical and mental health issues, most healthy elderly are faced with challenges affecting their quality of life, challenges often missed or overlooked by their families and seldom acknowledged by the elderly. Such challenges include partial memory loss, weakened hearing, slow reflexes, arthritis, and other symptoms accompanying old age. Longevity's impact upon overpopulation, society, natural resources, retirement and health care cannot be taken lightly. The purpose of this book is to discuss such challenges and concerns hoping they would be appreciated by younger generations and acknowledged by the elderly. About the Author The author was born on the Greek island of Ikaria, Greece, and graduated from the University of Athens, Greece (1957). Following his discharge from the Greek Royal Navy...
