Routledge, UK, 1997. Hardcover. Book Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. Available Now. Book Description: Volume Three in this series carries on from the highly acclaimed volumes on Europe and on the Americas. Focusing on non-Arabic Africa, and with contributions from leading experts from the countries featured, the third volume of the World Encyclopedia of Contemporary Theatre series examines theatrical developments in Africa since 1945. Entries on thirty-two African countries are featured in this volume, preceded by specialist introductory essays on Anglophone Africa, Francophone Africa, History and Culture, Cosmology, Music, Dance, Theatre for Young Audiences and Puppetry. There are also special introductory general essays on African theatre written by Nobel Prize Laureate Wole Soyinka and the outstanding Congolese playwright, Sony Labou Tansi, before his untimely death in 1995. More up-to-date and more wide-ranging than any other publication, this is undoubtedly a major ground-breaking survey of contemporary African theatre. : Review: "An impressive team of African scholars and theater professionals has compiled a stunning country-by-country introduction to the theater of sub-Saharan Africa. Not simply an aid to research, this volume gives an exciting introduction to Africa's fascinating, varied, and vibrant theatrical scene, too little known in the US. Highly recommended." - "Choice, October 1998 ." continues the series' excellent tradition. invaluable to anyone interested in the recent history of African theater. This volume and series are a valuable addition to any academic or research library supporting interest in contemporary or international theater." - "Reference User & Services Quarterly, Winter 1997 "Succeeds in bringing the researcher into the political/cultural framework of performance in context and is an invaluable resource not only for scholars in the performing arts but also for cultural anthropologists, sociologists and others. A welcome addition to all serious performing arts collections." - "Booklist, October 1997 ." most countries have sustained studies that achieve a surprising degree...
