

## Getting Started with Visual Basic 6.0: The Beginners Test Panel

By Dick Hart

Total Recall Publications Inc. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 9.0in. x 7.4in. x 0.9in. This book is intended for those people who would like to learn the basic principles of computer programming but hesitate when they look at the books available on store bookshelves. Most computer books today have scary titles with hundreds and hundreds of pages. Most people starting out would just like a simple little book that shows, describes and demonstrates the basic programming principles. This book will do that. You might consider this book the book to start with before you attempt the bigger books in the stores. Believe me, if I can learn it, ANYBODY CAN! This book will help you get a feel for Graphics, Forms, Controls and basic programming syntax for Visual Basic V6. 0. The coding syntax used was copied right off the Beginners Test Panel. An extreme effort was made to keep the coding as simple as possible. There are many ways to twist coding around to make it look like you are a well experienced programmer, but you wont find it here. Its impossible to learn coding that is so badly twisted you cant find where it starts and...
