A wedding, two daughters and fifteen years later, Abby's world is falling apart. Having discovered Simon has had an affair, her normally ordered mind is spiralling out of control. Crushed by the betrayal and shocked by her own reaction, she knows she needs to get herself together; she's just not sure where to start. With Simon on a mission to win her back and a close friend hiding a secret that could push her further over the edge, Abby finds strength and support where she least expects it. But as she attempts to gain control of her life and make decisions about her future, it may be more than the limits of Abby's mind that are put to the test! Crazy Over You is a refreshingly honest portrayal of a woman's reaction to her husband's infidelity while also being a touching story of friendship and love. It is a novel for all those who have experienced a break-up and know that living happily ever after is not quite as simple as meeting your man!.
