AUTHORHOUSE, United States, 2013. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Lady in Red, Where is Your Head? by first-author Carolann deBellis, tells the story of a woman who survived a brain injury and a coma after a car accident on an icy New Jersey Turnpike in 1987, when she was 34. Carolann had it all, the perfect life, before the accident-a great job at a hot Philadelphia salon, a passionate 12-year marriage and a wide circle of friends and family who marveled at her energy and infectious spirit. Then, in the aftermath of the near-death accident, she lost it all-job, husband and sense of self. After learning to walk, talk and cut hair again, she faced the life-long task of going beyond recovery, beyond recreating the person she was before the accident to aspire for something better. Psychological counseling and the support of a loving circle of family and friends helped her to see that all was not perfect before the accident, helped her redefine a new Carolann, a work in progress who s less self absorbed and more self aware, less controlling and more open in her relationships with men in her life. If it weren t for the imperative, painful job of remaking herself physically, cognitively and emotionally from a child-like state after the accident, Carolann might never have undertaken the intense personal journey that leads her today, at 57, to say I thank God my brain injury cured me. More than a conventional memoir or self-help guide, Lady in Red stitches together Carolann s own words, a diary that her cousin Michael Biello wrote during her coma and rehabilitation, hospital documents, notes from nurses and visitors and Carolann s collection of inspirational quotes. l...
