Dept. of Education, Office for Civil Rights : Office of Educational Research and Improvement, Educational Resources Information Center, 2000 OCLC Number: (OCoLC)51784865 Subject: Educational tests and measurements - Handbooks, manuals, etc. Excerpt: . . . The guide also includes a collection of resources related to the test measurement and nondiscrimination principles discussed in the guide - all in an effort to help policy-makers and educators ensure that decisions that have high-stakes consequences for students are made accurately and fairly. Recently, education stakeholders at all levels have approached OCR requesting advice and technical assistance in a variety of test-use contexts, particularly as states and districts use tests as part of their standards-based reforms. Also, OCR is increasingly addressing testing issues in a broader and more extensive array of complaints of discrimination that have been filed. These developments confirm the need to provide a useful resource that captures legal and test measurement principles and resources to assist educators and policy-makers. As used in this resource guide, high-stakes decisions in this guide refer to stakes decisions refer to decisions with important...
