## THE LOST NOTEBOOK

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Lost Notebook, Jennie Feldman, These visually arresting and subtly musical poems range from Scotland and the Hebrides to Paris, the Mediterranean and Israel, capturing resonant details and moments and shaping them into a quizzical coherence. Like the small ghost that circles into lamplight in "Moth", the poems are on the wing, "sourcing the radiance of things" in response to the dark. "The lost notebook" inspires a sequence that interweaves themes of sea, music, memory, love and the charge of language. This is a distinguished first collection.
