

Trance Archive: New and Selected Poems

By Andrew Joron

City Lights Books. Paperback. Book Condition: new. BRAND NEW, Trance Archive: New and Selected Poems, Andrew Joron, Since his post-9/11 essay "The Emergency," Andrew Joron has been regarded as one of American poetry's most profound practitioners. Trance Archive draws on over twenty years of Joron's work, from his early science fiction poetry to his later fusion of surrealist romanticism and avant-garde materialism, into what he calls "speculative lyric." Infused with radical politics, Joron's poetry takes inspiration from chaos and complexity theory, and reflects personal associations ranging from anarchist philosopher Paul Feyerabend to surrealist mystic Philip Lamantia. The third volume in our vibrant Spotlight series, Trance Archive affirms Joron's place among major contemporary poets.
