### ***Reviews***

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).*

## CODE TO ZERO (NEW EDITION)

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Code to Zero (New edition), Ken Follett, Code to Zero is a fast-paced, espionage thriller from number-one bestselling author Ken Follett. Three days that could change the world's political landscape. A man wakes up to find himself lying on the ground in a railway station, his mind stripped bare of all recollection. He has no idea how he got there. He does not even know his own name. Convinced he is a drunken down and out, it isn't until a newspaper report about a satellite launch catches his eye that he begins to suspect all is not what it seems. The year is 1958, and America is about to launch its first satellite, in a desperate attempt to match the Soviet Sputnik and regain the lead in the space race. As Luke Lucas gradually unravels the mystery of his amnesia, he realizes that his fate is bound up with that of the rocket that stands ready on launch pad 26B at Cape Canaveral. And as he relearns the story of his life, he uncovers long-kept secrets about his wife, his best friend and the woman he once loved more than life itself.
