Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Today, Tomorrow Yesterday (Volume 2+) Welcome to Today, Tomorrow Yesterday Your path to successful journaling. Today, Tomorrow Yesterday can be a journal, a diary, a chronicle, for the present, the past or the future. Its numerous echoes/Quotes from Great Minds can be like your personal muses, your guides, taking you through the day with inspiration and insight. We re not like those other big bulky journals. Our journal is small enough to fit into your pocket or purse. It gives you easy access at any time: day or night to jot down, feelings, events, experiences, and insights, about today, tomorrow or yesterday. This journal could be a wholly personal diary or a journal of an event: a lecture, a meeting a teaching, etc. An event taking place today, tomorrow or one that happened yesterday. Another great thing about this journal is: it s expandable. Having a hard time, getting a journal or a diary started? Getting started, laying down those first words can be of the most difficult parts of journaling for most people. In our journals, we made that step super easy. Now anybody can start journaling, with our easy two-step method. Steps we like to call, the: when-do-I and how-do-I start-steps; your two simple steps to getting started and becoming a successful writer, diarist and journalist. Volume 2+ is the middle/end volume and can be more than just Volume 2. With an additional Volume 2+, one can make Volumes 3, 4 or 5, etc. Example: by just adding a 1 after Volume 2+ turns it into Volume 2+1 thus making it Volume 3. Or by adding a 2 after Volume 2+ turns it into Volume 2+2...
