Appendix E Program costs also include any nonproduction costs that can be assigned to the program but not to its outputs. CFO Act of 1990. The CFO Act requires reporting entities to prepare and transmit, by not later than 60 days after the submission of the audit report, an annual report to the agency head and the Director of the Office of Management and Budget. The report shall include a description and analysis of the status of financial management of the agency and the annual financial statements. 12 NASAs Plan. According to the Full-Cost Initiative, NASAs programs and projects are the primary activities upon which full cost data will be developed and used. NASA plans to assign costs to programs and projects by directly tracing costs when economically feasible, assigning service costs on a cause-and-effect basis and allocating general and administrative costs on a reasonable and consistent basis. 13 Service Costs will be charged or assigned to a project based on project-controlled service use...
