Anno's Counting Book

By Mitsumasa Anno

HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Anno's Counting Book, Mitsumasa Anno, First there is an empty field. Then it is January, the 1st month of the year. All alone in the snow strands 1 yellow house. In front, 1 child builds a snowman. Behind the house is 1 tree and 1 black crow. Now, five months later, it is June. There are 6 buildings in the field, 6 children playing, and 6 adults working. One adult tends 6 ducks. Another drives a train with 6 cars. From 1 to 12, through the months of the year, the town grows. More houses and trees and animals and people can be seen - until finally December arrives with all its wintery magic.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
