Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.History only recognizes greatness in its leaders when its leaders stand up for freedom and justice or bring an end to the suffering of those who are unable to stand up for themselves. Change the Shame Small Group Study Edition is about a non-violent battle plan for ending abortion within the U.S. It is about Abortion Abolitionists following the lead and example of the Slave Abolitionists of a century and a half ago and Civil Rights activists of 50 years ago. Just as our generation looks back in disbelief that previous generations could condone slavery or racial discrimination, future generations will look back at our generation in total disbelief that we could thoughtlessly slaughter our innocent children. Interestingly enough, the same intellectually dishonest arguments that were used to defend slavery and racial discrimination are the same arguments that are used to defend abortion. As you read Change the Shame allow wisdom and compassion to begin working in your heart and mind. Abortion within our nation will someday end just as slavery ended; the only question that remains is to who are the people that will make it happen?.
