Hearts from Heaven is a true story of a love that transcends life on earth. Leatrice Marson met her husband Robert in 1952 while working at a large pharmaceutical company; they married in 1953 and had three children. Over the next five decades, their life together was filled with love, adventure, and faith. Robert was asked to join the company's international division in 1954, for which he traveled to thirty-three countries. In 1971, the company moved him and his family to Johannesburg, South Africa, to work on a special project. The family returned to New Jersey in 1975. As their children grew and grandchildren came into their lives, Leatrice and Robert continued to live a full and happy life. A romantic husband, Robert often left a rose on the kitchen table or a small note with a heart on it for Leatrice when he left for work. Although cancer eventually took Robert's life in 2001, he has continued to be a presence in her life. Beginning about a month after his death, Robert's form appeared to her in church, and then other mysterious signs of his presence began happening. As evidenced in this beautiful, heartwarming book, Hearts from Heaven, Leatrice has received many hearts from heaven from her beloved Robert. They often show up in the most unexpected ways, but always at just the right time.
