Ladies And Gentlemen. --The time has arrived for us to review our work preparatory to leaving for our homes. The question in which we are all deeply interested is this: after you have arrived at home will you be able to go to work with your bees and handle them successfully and so as to make them pay We do think you will have no trouble in making apiculture pay a hundred per cent, more than any of the rural industries, at the same time your labors will be comparatively much easier as well as more remunerative. , This is one of the branches of rural industry that the ladies can engage in, and in this they can equal if not surpass the gentlemen. We...
