*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.2014 ABNA QUARTER FINALIST! Sunny Brafford swore off men fourteen years ago when she kicked her lying, cheating husband out of her bed and out of her business, and Brafford Inn went on to be one of the most sought-after BB locations in northern Wisconsin. Now, entering the new year, Sunny is at a place in her life where everything is good and there isn't a thing she would change. But change is coming in as swiftly as the previous night's snowfall. This New Year's Day marks the start of many surprises for the town of Riley's favorite innkeeper when she hears her name announced over the radio as the winner of a contest she never entered, for a vacation for two at one of the largest ranches in Arizona. To most people, this news would be cause for rejoicing, but Sunny isn't like most people. She never enters vacation contests because she thinks vacations are a waste of time when you already enjoy what you're doing with your life. She finds it unsettling that she would win a contest she never entered and is determined to find the culprit who set this in motion. Armed with her best friend and quirky stage performer at her side, Sunny ventures out of her comfort zone to take the first vacation of her life. The duo is dropped off in the heart of cowboy country on a ranch owned by Elrod Huntington Hawk. He's a big man with an even bigger presence, as far-reaching as northern Wisconsin, where his sketched portrait has been secretly adorning Sunny's bedroom wall. Editorial Reviews:...
