Wars That Never End

By Ian Ferguson

Brolga Publishing Pty Ltd. Paperback. Book Condition: new. BRAND NEW, Wars That Never End, Ian Ferguson, Over 100 Australians who served in Afghanistan have committed suicide since returning to civilian life. Partners and family members also suffer, in their shared lives with emotionally scarred war veterans. Ex-service personnel and affected relatives provided author Ian Ferguson with fascinating first-hand information for the research of Wars That Never End. Their confronting recollections surfaced in personal interviews, and sometimes in Diggers' letters and diary entries from front line battle fields, dating back to the Boer War. Few publications candidly tackle the contentious issue of mental health among combat veterans, so this book is a must read for all discerning lovers of Australian war history.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
